Vendor Services

One of the major purposes of Neighborhood Network is to enable our members to access safe and reliable professional services, and we take our responsibility seriously. We are pleased to facilitate the connection of our members with reliable, fully vetted, fee-for-service providers.

The most requested member service this time of year is leaf raking, fall yard cleanup, and setting up snow removal services for the winter. If you, or your family, is aware of an individual or company you believe could serve as a Neighborhood Network vendor, please contact the team @ 207-351-1828, and we will be happy to contact them to learn if they qualify.

Congratulations & Welcome to our Newest Vendors!

Bonnie Painter

Bonnie lives in Eliot, Maine, and has provided many years of experienced private duty home care in nursing homes and private home settings. Her fee-for-service work includes every aspect of personal care, housework, meal preparation, errands, transportation, and excursions, as well as experience providing care to individuals facing dementia and Alzheimer care needs. Please contact us if you would like us to coordinate Bonnie's services for you.

Magic Cleaners

This company is located in South Berwick and is owned and operated by Ian Garcia-Grant & Daniel Reed. Magic Cleaners specializes in both residential and private home deep and light cleaning services. Their power-washing services include washing surfaces such as wood, walkways or vinyl – great news for vinyl-sided homes! This company offers a discount to verified Neighborhood Network members for their fee-for-service. Please contact us if you would like us to coordinate Magic Cleaners services for you.

REMINDER: Our goal is to coordinate your vendor service requests within 5-10 business days, however popular seasonal requests may take longer (requests that relate to health or safety needs may be accommodated sooner). A wait list has already begun for fall and winter projects. Please plan ahead and call us at 207-351-8444 to be added to the Neighborhood Network job order list.

Another New Season is Almost Upon Us Crisper Weather is Already Here.... Holidays are Coming...

Are you Planning Ahead? We are!

And we'd like to hear from you in advance so we can put you on our list for service vendor contacts and arrange the help you need for services like:

yard maintenance/fall cleanup

snow plowing or shoveling

baking or home decorating for the holidays

And...whatever else you may need in the months ahead
